Mr. Ramesh Jaura,

Heussallee 12,

FEDERAL REPUBLIC OF GERMANY.

Dear Mr. Jaura,

I am sorry that it has taken me so long to thank you for your letter of 22nd June 1984

Increasing the understanding in Europe of the problems of the Third World, and of the interconnection between the North and the South, is one of the very important contributions which can be made to future peace and progress in the world. Allow me therefore to send my good wishes to you and your colleagues for your work in Nord-Sud-Forum. Tanzania, and specifically our Embassy in Bonn, will be pleased to cooperate with your activities to the extent which is within our power.

Nonetheless, I hope you will excuse me from being numbered among your Patrons.

With good wishes,

Yours sincerely,
